The Honorable Richard Bolling  
Chairman of the Subcommittee on  
Foreign Economic Policy  
Joint Economic Committee  
House of Representatives  
Washington 25, D. C.

Dear Mr. Bolling:

Attached hereto is a statistical compilation on the national economy of the USSR, which was translated from the Russian version issued by the Central Statistical Administration of the USSR. It is my understanding that this document is of interest to your Subcommittee. A copy of the Russian version has been previously furnished to the staff of the Joint Economic Committee, and we have sent, under separate cover, a number of copies of the English translation to the staff.

Although this document may be treated as unclassified information, we would appreciate it if any reference to this Agency as the source could be avoided.

In the event that you or other members of the Subcommittee would like to receive additional copies of this document, we will be happy to furnish them.

Sincerely,

Allen W. Dulles  
Director
